Congrats to Ms. Shirvani for the hard work and efforts she did in English to bring these kids into this level.

Laxmi Devi has done the best amongst all of them. Two children out of these were only class seven pass from Purva madhamik vidyalaya sec-V Vaishali Ghaziabad . The name of these two are as follows.

1. Sangeeta Yadav

2. Kajal Sharma

These children were taught for more than eight hours a day by
Aakash Maindwal Foundation . They are the first in their whole
family to clear Secondary School examination.
Congrats & God Bless!!**

After the result AMF celebrated their Success in different way. We took them for excursion to Rishikesh and they thoroughly enjoyed their trip.

We are grateful to Ms. Madhu Pillai of Jalindia who is providing volunteerism to us their two or three employees are coming every Saturday to give guidance in every field. This is going to motivates them to look forward with positive attitude. There is a scarcity of teachers in Sec-V Govt School Vaishali so AMF requested them to provide their guidance to middle school students. Every Saturday they are teaching English and Maths for two to three hours . Our first meeting with Principal regarding this....

Thanks to Ms. Madhu of Jalindia who helped us in providing volunteers who can enhance the personality of AMF children & grateful to Mr. Sabyasachi Banerjee for giving his valuable time to us.

Fatafat Banao Aur Mauj Karao!!

The first event at Tamanna on 14th july. Thanks to Ms.Amita Saksena for organizing this workshop with Nestle with in a very very short period. Each and every person enjoyed and gained to make fatafat recipes from Nestle Product with in no time. Few glimpse of this event...

On 25th July through SIFE(Students in Free Enterprise) AMF got used paper Register for rough work. It will going to help the students to use it in their practice work. It is very encouraging that new generation is coming up with creative ideas. During their summer vacation students of SSCBS took the challenge under project AKSHAR... Thanks and Gratitude to them for donating 200 register to us. On that day they took the workshop on hygiene and sanitation. Indeed it was very helpful to them as they all are adolescent.

Out of 200 Register AMF distributed around 125 Register to Sec-V Govt. School Children as we believe in sharing. Joy of satisfaction we got after seeing smile on their face. God Bless them All...

"When there is a will there is a Way"

Neha is a Brilliant student of class XII. She has taken PCB(Physics, Chemistry, Biology).Her aim to become a nurse so that she can serve the society. Poverty cant stop her to reach her Goal. God Bless her!!

AMF believes that the desired changes in the lives of such children will come only when more and more privileged people will join this movement. The Foundation also believes that the only way to ensure a better future for these children is by educating them. That's AMF encouraging these students through open school and enrolled 11 new students for their Xth board and four old students for class XI & XII. That is because education is both the means as well as the end; it empowers these children and evolves them as better citizens.
